This is work?

Puzzled?

The THINGS we see on Saturday!

Are you surprised? Do you think we made a mistake? Believe it or not, we planned it this way! Our advertisers have always been last, so we reversed the order--the last shall be first! Without them, we could not publish what follows! So, continue, please!

Something out of place, Jim?

We, the Seniors, planned to be last in this yearbook! Why? By this time of the school year, we are already starting to fade away from the glowing spotlight which we have occupied so joyously and rightfully, we believe! As we make our exit, we as a group and as individuals, want to leave with the faculty, administration, underclassmen, and any other interested parties our best wishes, and we hope your recollections of us will be pleasant and perhaps inspirational!

We'll be seeing you from time to time!
